

MODULE #2
GET CLARITY AROUND WHERE YOU'D
LIKE TO BE FEATURED

WHERE WOULD YOU LIKE TO BE

Decide which type of media best suits you and your audience.
Feel free to start with one type or go brave and mix a few of them.

- Guest Posts / Blogs
- Round Ups
- Podcast Interviews (camera on or off)
- Magazines & Press Features
- Television Interviews
- Radio Interviews
- Speaker/Panel Discussions

Now that you've identified where you're most comfortable, write down the magazines, podcasts, television programs or radio programs that you want to appear on. (You may have to do a bit of research to know what's available)

YOU'RE FABULOUS!!!

Write your future gratitude list describing how you feel being featured.

How to use your “future gratitude” list: Write down how it felt to be booked on the shows on your wish list as if it already happened! A great place to start would be “I am so grateful I was featured on _____! It felt _____ .

Allow your imagination to run wild here. Really feel the gratitude in your entire body as you write

PRACTICE!

Let's start practicing (remember we're here to support you)
So how about you:

1) Post a video in the private Facebook group sharing your future gratitude list.
